This Map created on 23 FEB 2023 by Engineering Technician Jon Pollock in support of the Solid Waste Division of Public Works.

The purpose of this Map is to provide a quick visual reference for the Residential Solid Waste, Recycling and Yard Waste Pickups to support efforts of public communication and awareness.

This Map is presented AS-IS. Neither the creator, nor the City of Oak Harbor, warrant this map against any fault or defect.

This Map may be utilized by the Public for information and reference purposes only. This Map is NOT A LEGAL INSTRUMENT, and neither the City nor the creator are liable for any damages real or intangible that may arise from uses that are inconsistent with its purpose.

The Solid Waste Division of Public Works will strive to adhere to the collection days and areas as depicted herein, however due to Holidays or inclement weather, a scheduled pickup day may be adjusted to accommodate the operational needs and safety of the City's staff and its Citizens. Any such changes from the routine will be communicated promptly as the need to adjust these routine schedules are known.
