ISLAND TRANSIT'S ON DEMAND SERVICE

Island Transit is excited to offer Fare Free On Demand service at the Oak Harbor Marina, providing flexible transportation between designated bus stops in a specific service area. Yes that's right, this service is fare free – no charge!

What is On Demand Service?

Island Transit's On Demand service is a flexible transportation option that allows riders to book a ride between bus stops within a specific service area. Unlike traditional fixed routes, On Demand allows you to schedule trips in advance, while still relying on designated bus stops. On Demand provides more flexibility, but please remember that you must book your ride at least 2 hours in advance to ensure availability.

Island Transit On Demand service isn't just for guest boaters.

Are you going on a long cruise during the boating season?

The marina parking lot is not for vehicle storage, 72 hour limit. Leave your vehicle at home and take the transit to the marina.

How to Reserve Your On Demand Trip:
