

# OAK HARBOR MARINA

NEWSLETTER JUNE 2025

## HARBORMASTER

We are extremely excited that our own Alyce Henry was selected from a pool of well qualified candidates as the new Harbormaster for the City of Oak Harbor Marina. Alyce’s expertise and infectious enthusiasm personality will continue to be an immense asset to the City and play an even greater role as the face of our greatest waterfront amenity. Please join us in congratulating Alyce and welcoming her into this new leadership role.

## CRABBING SEASON

The crabbing season is expected to open in early July. As you are preparing to head out for these tasty little creatures please be sure that you are aware of all of the Washington State rules and guidelines.

The rules and guidelines can be found at <http://wdfw.wa.gov/fishing/>. Just a reminder, crab traps cannot be left unattended on the docks. Any crab traps found on the docks will be placed on the owner's boat or moved to one of the marinas storage sheds. In either case there will be a minimum labor charge of \$120.03 for Marina Staff to move any unattended crab pots off of the docks. If you clean your crab at your slip, please remember to hose the dock off when you are done.

## BOAT REGISTRATIONS

All boat registrations expire this month. It is the boaters responsibility to give the marina a copy of the current registration every year. You can either update your Dockwa account by uploading your documents or if you are having trouble, you can email them to (oakharbormarina@oakharbor.org) and we’d be happy to upload them for you. You can also text a picture of your registration to 360.279.4575.

Per your signed contract,

*“A copy of Owner’s registration/documentation certificate for the Boat shall be provided to City and is required as a condition of moorage.”*

If we do not get your current registration, we can terminate your moorage contract, under 19 TERMS,

*“(b) City gives Owner at least ten (10) days’ written notice for default of any provision or condition of this Agreement.”*

This also goes for boat insurance. The City of Oak Harbor Marina needs to be added to insurance as additional insured. Our physicals address is 1401 SE Catalina Dr., Oak Harbor, WA 98277.

As a reminder, **all boats (in the water & on the fence line)** also need to have their current stickers on license plates per the moorage and Fence line storage contract agreement.

*Area 8-1 has a daily limit of 5 Dungeness Crab, 6" minimum size, males only, and in hardshell condition. A daily limit of 6 Red Rock Crab, 5" minimum size, of either sex.*

During the boating season these slips can sign a month2month contract to keep the slip. Any trailers on the fence line during this time will be charged the monthly dry storage rate.*
